Information for visiting musicians.

- Early requests and alternate dates are helpful. Green Lake Church plans worship services many months in advance.
- Green Lake Church is oriented toward music in a classical style rather than contemporary “praise music”. We welcome groups who support our style of worship. We discourage recorded accompaniment.
- We prefer your visit as part of the morning Worship Service. Sabbath afternoon concerts are generally not well attended.
- Visiting groups are encouraged to present service music, special music, and a short postlude recital, but cannot pre-empt the sermon time.
- Visiting musicians are requested to send group information and publicity in a timely manner for inclusion in the Green Lake Gazette and church bulletin. Publicity to local SDA churches or the Gleaner is the responsibility of the visiting musicians.
- We will need your program information for the church bulletin 2 weeks before the performance.
- The choir loft will hold 30-35 people. We have no choral risers for platform use.
- The platform can accommodate approximately 30 seated musicians.
- If your group will be lunching with us, the second Sabbath of the month (monthly potluck) is preferred for a small group and is necessary for a large group.
- We can provide home stays for no more than 20 persons.
- It is not possible for a visiting group to take an offering for tour expenses.
- You may distribute ordering information for your CDs or tapes, but you may not sell them on site on Sabbath.
